The History of AAP

AAP was organized in Harrisburg in 1949 by a group of individuals who realized the need for an association of assessing officials in Pennsylvania.

The AAP's Constitution provides for the annual election of the President, President Elect, Vice President, Secretary, Treasurer, and twelve Directors.

The management is vested in a Board of Governors which is composed of the officers and directors. In so far as possible, the Board of Governors is representative of various sections of the Commonwealth. ❖
